

Government of Canada's Accessibility Survey

Thank you for taking the time to participate in this survey. This research is being conducted by Quorus Consulting on behalf of Employment and Social Development Canada (ESDC) and will help the Government of Canada learn about Canadians' experience(s) with accessibility and disability issues.

The survey takes about 15 minutes to do. You have to be 18 years of age or older to do the survey. Your responses will be kept entirely confidential and anonymous. If at any time during the survey you are not comfortable with a question, you can skip it.

Your decision to participate is up to you and will not affect your relationship with the Government of Canada or the services they provide you. The information provided will be managed according to the requirements of the *Privacy Act*. The final report on the survey will be available through Library and Archives Canada.

We would appreciate it if you could complete the survey by April 30, 2022.

If you have any questions regarding the purpose of the study, please email ACCESSIBLE.CANADA.DIRECTORATE-DIRECTION.CANADA.ACCESSIBLE@hrsdc-rhdcc.gc.ca.

For all technical issues and resources to help you complete the survey, please visit www.quorusconsultations.com or send an email to discussions@quorusconsulting.com.

3. Have you seen, read, or heard anything about the Government of Canada's *Accessible Canada Act*?

- Yes
- No
- Refuse
- Don't know

IF "YES" to QUESTION 3: What can you remember about this Act? What comes to mind?

- Refuse to answer
- Don't know / Can't think of any

This next part is about services, programs, and products that are provided by federal sector organizations. As you would expect, this includes services and programs delivered by the Government of Canada but also includes services and products from businesses and other organizations that are regulated by the federal government. This would be things like banks, courier and mail services, ferries, airlines, and interprovincial railroads and bus lines – that is, railroads and bus lines that travel across provincial borders. It also includes radio and television stations, Internet service companies, and First Nations band councils.

4. Let's start by asking about any **services and programs** you may have used or accessed from these types of organizations over the past 2 years.

First, how do you like to access the services or programs from federal sector organizations?

Instructions: Please select one answer only.

REMINDER: "Federal sector organizations" include banks, courier and mail services, ferries, airlines, interprovincial rail and bus travel, radio and television stations, Internet service companies, and First Nations band councils. They also include all services and programs offered by the Government of Canada.

- In person
 - Telephone
 - Online
 - Mail

 - Other please specify:
-

5. Now, we would like to know about any accessibility or other accommodations you may have needed when you were accessing services or programs from federal sector organizations. Over the past 2 years, how many times have you needed the following kinds of accommodations when accessing the services or programs from federal sector organizations?

REMINDER: “Federal sector organizations” include banks, courier and mail services, ferries, airlines, interprovincial rail and bus travel, radio and television stations, Internet service companies, and First Nations band councils. They also include all services and programs offered by the Government of Canada.

a. Over the past 2 years, how many times have you needed documents in accessible formats such as Braille, large print, or that work with computer programs that read text or documents out loud, etc.?
